Additional Marin County Program:

More than 200 9th graders from Aim High sites in San Francisco and Marin took part in the Environmental Home Program in the Tennessee Valley of the Marin Headlands in 2011. This weeklong program includes elements of environmental science, hiking, stewardship and camping. The Aim High Environmental Home Program is a partnership among Aim High, the Golden Gate National Recreation Area, and the Site Stewardship Program of the Golden Gate National Parks Conservancy.
